## EDUCATION

### California Polytechnic State University, San Luis Obispo

B.S. Software Engineering (September 2022 - June 2026) with a Minor in Architecture

## EXPERIENCE

### Architecture Intern

#### NIA Architects, Chicago, IL

July 2022 - August 2022

Through the ACE Mentor Program of Chicago, I was awarded an internship at the NIA Architects firm. Put together a company budget list and organized site photos. Observed other interns and architects working on an apartment complex in Auburn-Gresham.

### Judge

#### Society of Women Engineers, San Luis Obispo, CA

March 2023

Observed the performance of 72 teams of middle and high school students in the VEX State Championships competition and during interviews to assign a “Design Award”, “Excellence Award”, “Innovate Award”, “Think Award”, “Judges Award”, or “Inspire Award”

### Publicity Coordinator

#### Society of Women Engineers, San Luis Obispo, CA

November 2022 - March 2023

Spearheaded partnerships with 5-6 technology and engineering companies to establish a sponsor relationship to fund the VEX State Championships held at the California Polytechnic State University

## PROJECTS

### Website Reconstruction

#### Lindblom Math & Science Academy

Redeveloped and redesigned the Dutch’s Portland website using HTML/CSS/Javascript. Then could use that and add my own information and media to replace existing content.

## LEADERSHIP/ACTIVITIES

FIRST Robotics Team 1781 - Team Leader

National Society of Black Engineers, Jr. - Vice President

Society of Women Engineers Robotics Subcommittee - Judge/Publicity Coordinator

Black Student Union (BSU) - Graphics Art Designer

## SKILLS

**Technical:** AutoDesk Fusion360, HTML/CSS, Javascript, Java, SketchUp
